PNP Silicon Planar Transistors

BDX 27
BDX 28
BDX 29
BDX 30

BDX 27, BDX 28, BDX 29, and BDX 30 are epitaxial PNP silicon power transistors in SOT 9 case (9 A 2 DIN 41875). The collector is electrically connected to the case. The transistors are particularly suitable for use in high Q AF output stages and for switching applications.

Type	Ordering code	Type	Ordering code
